

THE DREAM EATERS

*"There are twists of time and space, of vision and reality,
which only a dreamer can divine..."*

—H. P. Lovecraft, "The Silver Key"

There is a hidden realm beyond the world of the waking, a realm of wonder, imagination, and nightmares. After occult author Virgil Gray writes about his adventures in a place he refers to as the "Dreamlands," you decide to learn the truth for yourself. But the deeper you fall into your investigation, the more you find yourself questioning: what is real and what is fiction? And what secrets await in the dark, forbidden places beyond the gates of sleep?

Something is haunting the dreams of Arkham's citizens and only you can ensure the safety of the sleepers. Are you ready to embrace a new reality? Gather your team, strengthen your mind, and prepare to step beyond the world you know into the one you only dream of! ...
