

THE CIRCLE UNDONE

"The hidden cults to which these witches belonged often guarded and handed down surprising secrets from elder, forgotten aeons; and it was by no means impossible that Keziah had actually mastered the art of passing through dimensional gates."

– H.P. Lovecraft, *The Dreams in the Witch House*

Judgement. Temperance. Justice. The Tower. The soothsayer's tarot wove a tale of a grim future, hard to put out of your mind. But when you learn that four people have disappeared without a trace from an estate in French Hill, you begin to wonder if this cruel fate is meant only for you, or for the entirety of Arkham...

Within this deluxe expansion, you'll embark on the fourth cycle for ArkhamHorror: The Card Game, and your path draws you back to Arkham itself. The Silver Twilight Lodge is bound up in something sinister, witches and strange rituals have been heard on the lonesome hills around Arkham, and the spirits of the dead do not sleep easy. New investigators and a wealth of new player cards arrive to expand your decks—and you will need them. Arkham has always been troubled, but of late it seems positively haunted...
