

CHAPTER ONE — INVESTIGATOR RULES

"The most merciful thing in the world, I think, is the inability of the human mind to correlate all its contents."

- H. P. Lovecraft, "The Call of Cthulhu"

This volume collects the Investigator Expansion rules inserts for Arkham Horror: The Card Game's first chapter of campaigns, gathered together for quick reference at the table.

Each entry reproduces its original rules clarifications, keyword reminders, and credits exactly as published, organized in release order for easy navigation.

This is a fan-made document for personal use only and is not an official Fantasy Flight Games product.
